

# OUR FAMILY LOGO

## Family Square Art Project

### Guiding Question

*“What makes your family a special part of the fabric of Las Vegas?”*

(Think about your favorite places, traditions, colors, or values that connect your family to this community.)

Short Version for Kids:

*“Show what makes your family unique and how you help make Las Vegas shine!”*

### Materials Needed

- One 3x3-inch canvas or cardstock square
- Paints, markers, crayons, or collage materials
- Pencil for sketching
- Cup of water and paper towels (for cleanup)

### Step-by-Step Directions

#### 1. Family Talk (10–15 minutes)

Gather together and share ideas:

- *What do we love most about living in Las Vegas?*
- *What makes our family special?*
- *How do we help our community?*
- *What colors or symbols represent us?*

Write down everyone’s thoughts, words, or sketches.

#### 2. Design Time (10 minutes)

Sketch your idea before painting.

Use colors, symbols, or initials that show your family’s spirit.

Let everyone add something – even a fingerprint or brushstroke!

#### 3. Paint & Create (20–30 minutes)

Bring your design to life on your 3x3 square.

Remember: there’s no wrong way to show who you are.

Let it dry completely.

#### 4. Reflect & Share (5 minutes)

On a note card or the back of your square, complete this sentence:

“Our family square shows \_\_\_\_\_ because \_\_\_\_\_.”

Example:

“Our family square shows a rising sun because we believe every day is a new chance to grow and help others.”

### Optional Extension

*Record a short (1-minute) video or voice note explaining your family’s design and what it means to you.*

*Your story may be featured in The Thread: The Fabric of Las Vegas digital showcase!*
